

Mail Boxes can be purchased at Mahoney's Sign Shop.

If you need to replace the post because it has rotted or been hit, they can do that also.

In 2011 the cost is \$155.00 which includes the numbered mailbox, post and bracket.
The installation fee is \$44.50

If you prefer, you may substitute a Rubbermaid mailbox of the same design. It will not rust and you can still get the numbers from Mahoney's.

If the mail box post needs a fresh paint job, the correct paint can be purchased at Royal Ace Hardware on Ben Sawyer. The color is Essex Green.
